

Advanced Heart Care Board at New Deaconess Gateway Hospital!

A ribbon cutting ceremony on January 31st, kicked off the new Deaconess Gateway Hospital. The Advanced Heart Care Board will be the first educational event to be broadcast from Indianapolis to Gateway. Other weekly broadcasts from Riley and Clarian will also be available at Gateway

([Click Here](#) for a listing of events).

The AHCB meets weekly with educational case presentations by physician board members to discuss possible treatment options for refractory patients. One of its goals is to offer all attending physicians

Now Broadcasting.....

The Methodist EMS department broadcasted its monthly audit and review to Clarian West and Clarian North for the first time on February 21st. This conference is held every 3rd Tuesday of the month and is required for EMS personnel.

"We appreciate this opportunity to be part of the Clarian network as well as a part of the community. This is a great educational tool that we would like to utilize to its fullest. We have invited the area EMS providers and look forward to having a larger turn out at future audit/review sessions"

*Ricki Wilson, RN
EMS Liaison
Clarian North Medical Center
Emergency Department*

Tech Tip of the Month

When you can't dial out...

By. David Boyer

When you just can't connect to the videoconferencing unit you're trying to call, try these steps to resolve the issue:

- 1) Call another system on the network (which you know is always on) to make certain yours is working. If you're in the Clarian network, this might be 162.1.240.21 (Riley Auditorium).
- 2) Check the network connection lights on your videoconferencing unit where the network cable plugs in. You should see a solid green link light and a flashing orange activity light. If not, you may not have a live network connection.

Telemedicine Making a Difference

"Absolutely great-very fast and efficient.
Thanks!"
